District Court of NJ Newark Division

Dear Honorable Hadyen and Honorable Haydor,

I am writing to the court in response to a default judgment filed by the SEC: Civil action No: 2:21-CO 1226 (KSH) Received on November 2, 2022.

I contest this judgment to be arbitrary, capricious and without substantial merit. The documentation that was presented to the court by my attorney does not substantiate this judgment. Furthermore, I was never involved personally in any stock certificates, selling, or talking to potential clients to sell certificates.

I am asking the court to allow me time to provide additional information to set aside this default judgment and the time to secure the funding I need to hire an attorney to represent me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard Marchitto", written in dark ink.

Richard Marchitto
